

We are looking for participants!

As part of research on speech intelligibility of bone conducted sound, we are looking for individuals willing to participate in listening tests. In order to participate in the test, you are required to be a Danish native speaker.

Before being invited to the tests, we will ask you to fill in a questionnaire on your listening habits.

The test procedure itself will take approx. 1 hour.

Coffee and snacks will be provided.

The listening test will be conducted during November 2018.

An individual appointment will be scheduled individually after consultation with each participant.
